OUR FACILITY

UNCOMPROMISING STANDARDS

CONTINUAL IMPROVEMENT

Emphasizing teamwork and continual process enhancement to meet or exceed customer expectations on time, every time. Eliminating quality non-conformances.

HEALTH & SAFETY

Safeguarding human health and operational safety. Line management holds a direct leadership role in strictly enforcing HSE compliance.

ENVIRONMENTAL PROTECTION

Systematically minimizing all losses and strictly complying with DSP standards alongside all applicable local laws and regulations.

SUSTAINABLE ENGINEERING

Designing and operating systems to efficiently use energy and resources. Enhancing products while reducing waste and preventing pollution.

The DSP Value Chain

COMPREHENSIVE MANUFACTURING CAPABILITIES

ARCHITECTURAL & CLADDING

- Cladding (Stainless Steel, Aluminum, Mild Steel)
- Aluminum Composite Panel (ACP) Cladding
- Canopies (Steel, Glass, Al)
- Aluminum Doors & Windows
- Decorative Aluminum Ceilings

CUSTOM FABRICATION & ART

- Customized Metal Sculptures
- Custom Sheet Metal (GI, MS, SS, Al)
- Electroplated, PVD, PVDF & Antique Finishes
- Fabric & Metal Composite Decorative Structures

STREET & PUBLIC FURNITURE

- Customized Street Furniture
- School, Hospital & Hotel Furniture
- Glass Partitions & Shop Fronts
- Display Stands & Shop Fixtures

FUNCTIONAL SYSTEMS & GATES

- Laser Cutting & CNC Bending Services
- Motorized Gates with Home Automation
- Aluminum Pergolas
- Decorative Screens, Frames & Fencing

Infrastructure & Expertise

The Engineering Brain

- Estimation & Planning
- Detailing & Engineering
- Design & Drawing
- Quality & Production Management
- Dedicated Project Teams

The Manufacturing Brawn

- **Precision Tech:**
Laser Cutting,
CNC Press Break, CNC
Bending, Panel Routing
- **Heavy Fabrication:**
Bansaw Cutting,
Radial/Magnet Drilling,
Pipe Notching
- **Welding & Finishing:**
Pulse MIG, TIG, Arc & Spot
Welding; Mirror/Brush
Polishing, Grinding &
Buffing

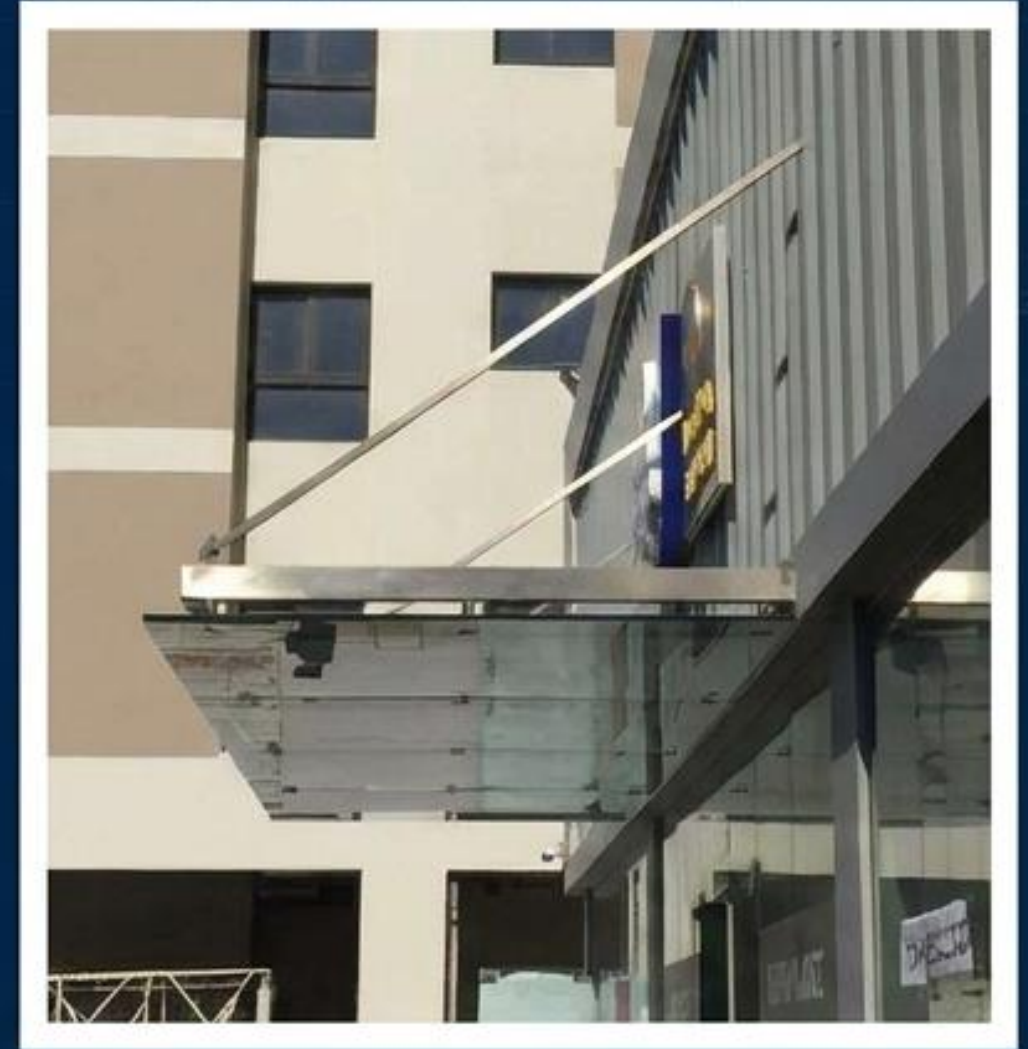

ARCHITECTURAL & STRUCTURAL EXCELLENCE

**ALUMINUM PERGOLAS &
OUTDOOR STRUCTURES**

**PRECISION ALUMINUM COMPOSITE
PANEL (ACP) CLADDING**

**STEEL & GLASS
ARCHITECTURAL CANOPIES**

Bespoke Fabrication & Decorative Mastery

Custom Polished Metal Sculptures

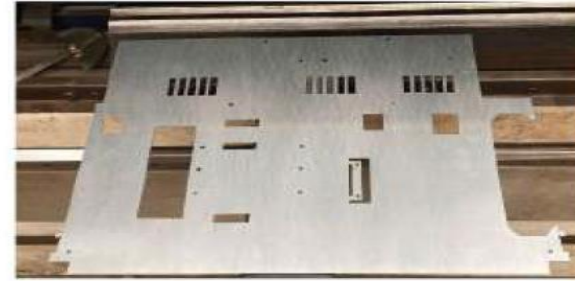

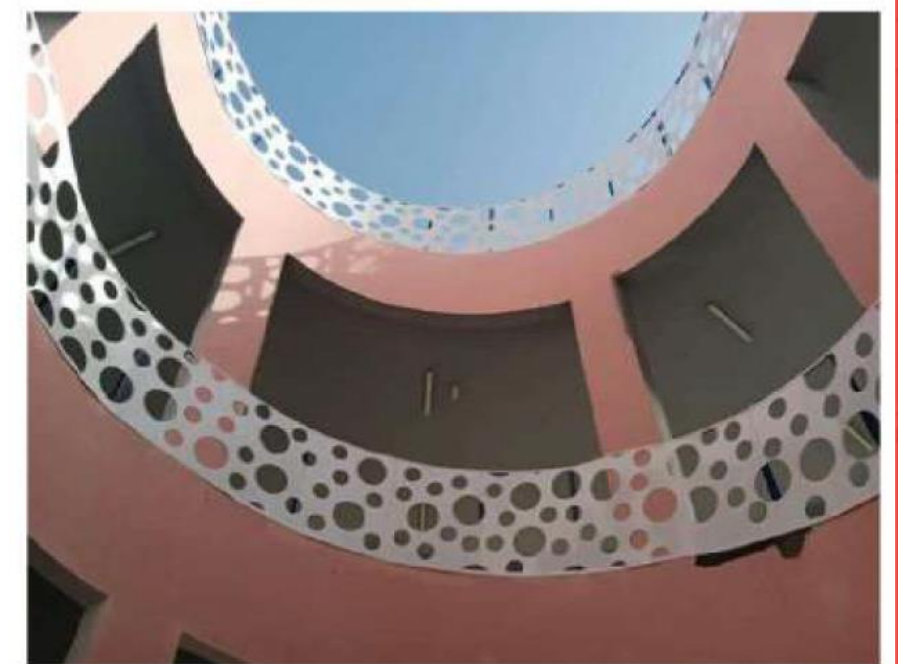

Electroplated & PVD Finished Luxury Furniture

Motorized Precision Gates with Automation

SUCCESSFULLY COMPLETED PROJECTS IN UAE

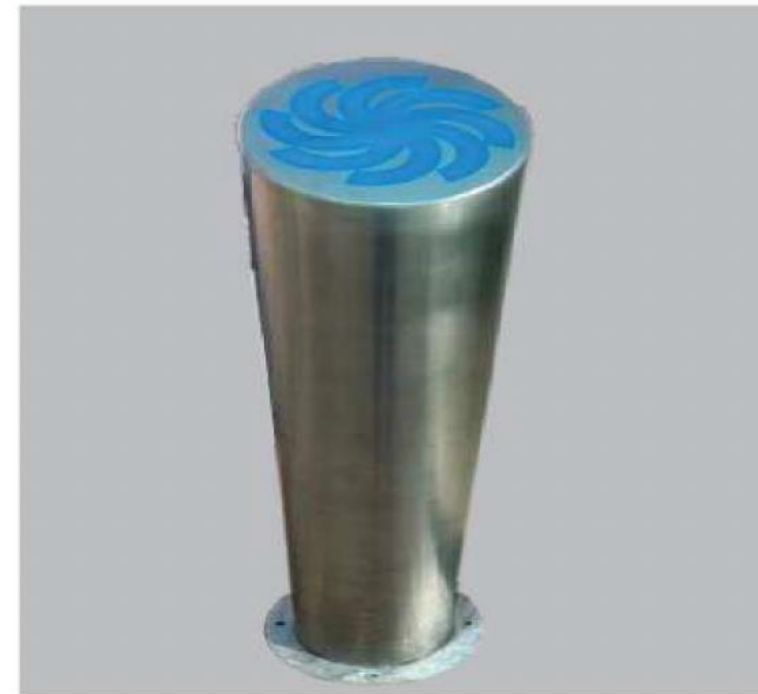

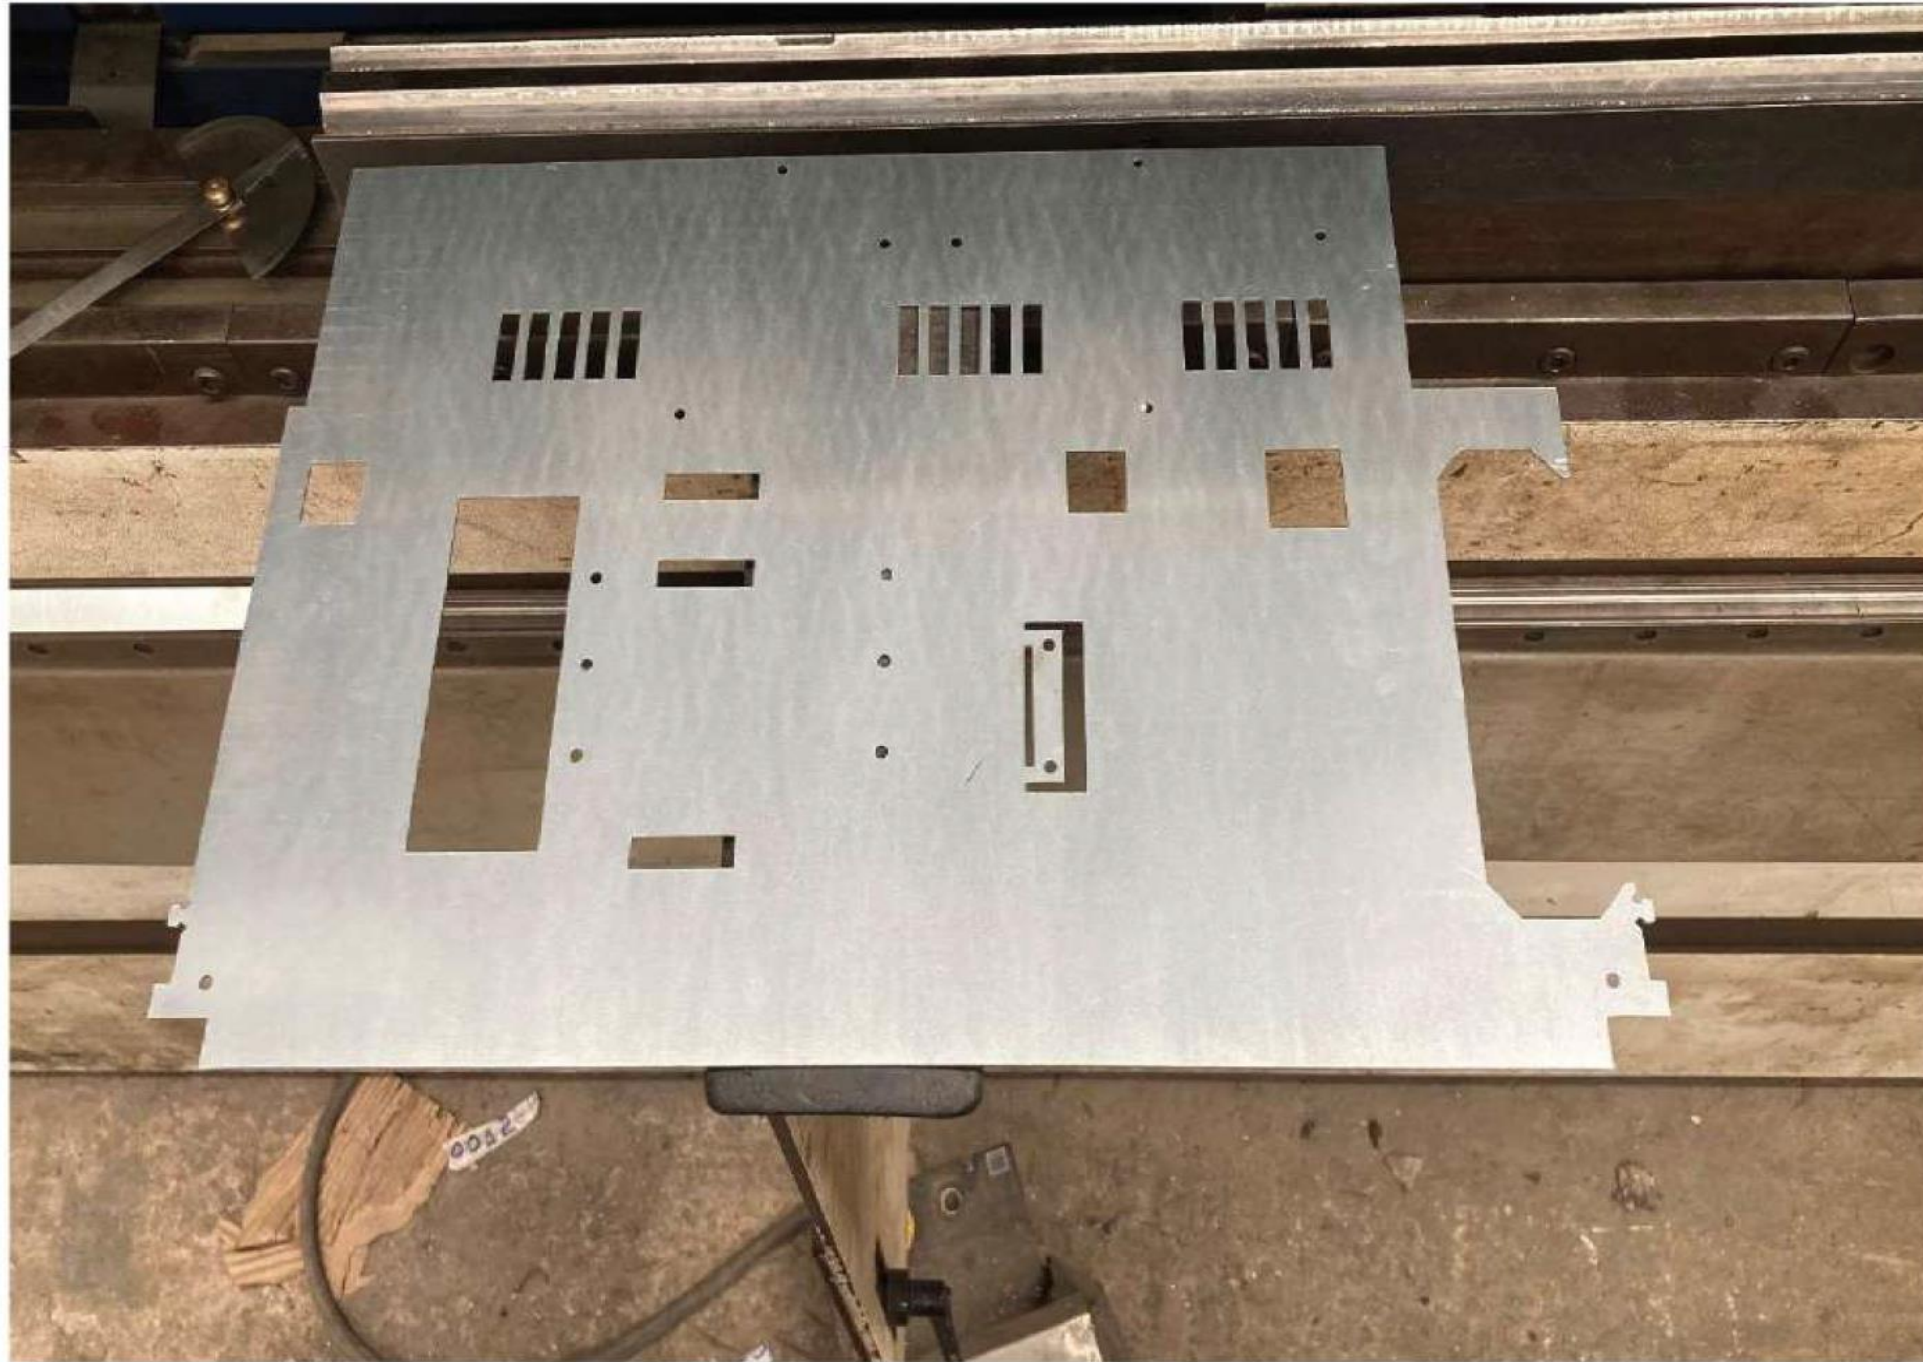

CUSTOMIZED STREET FURNITURE'S, STAINLESS STEEL, ALUMINUM AND MILD STEEL

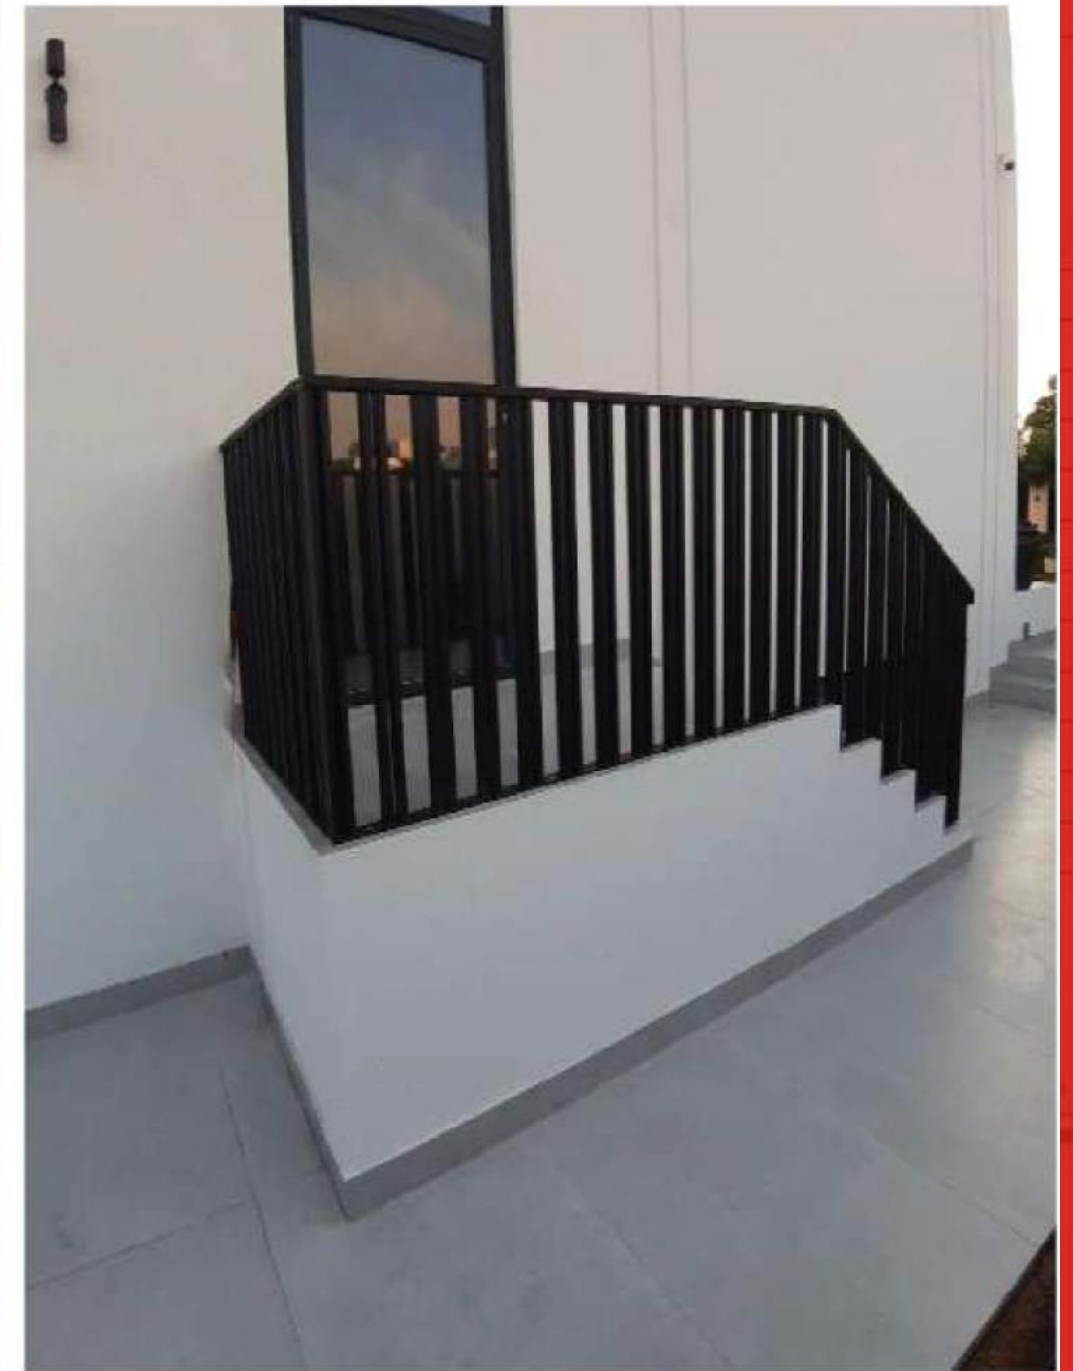

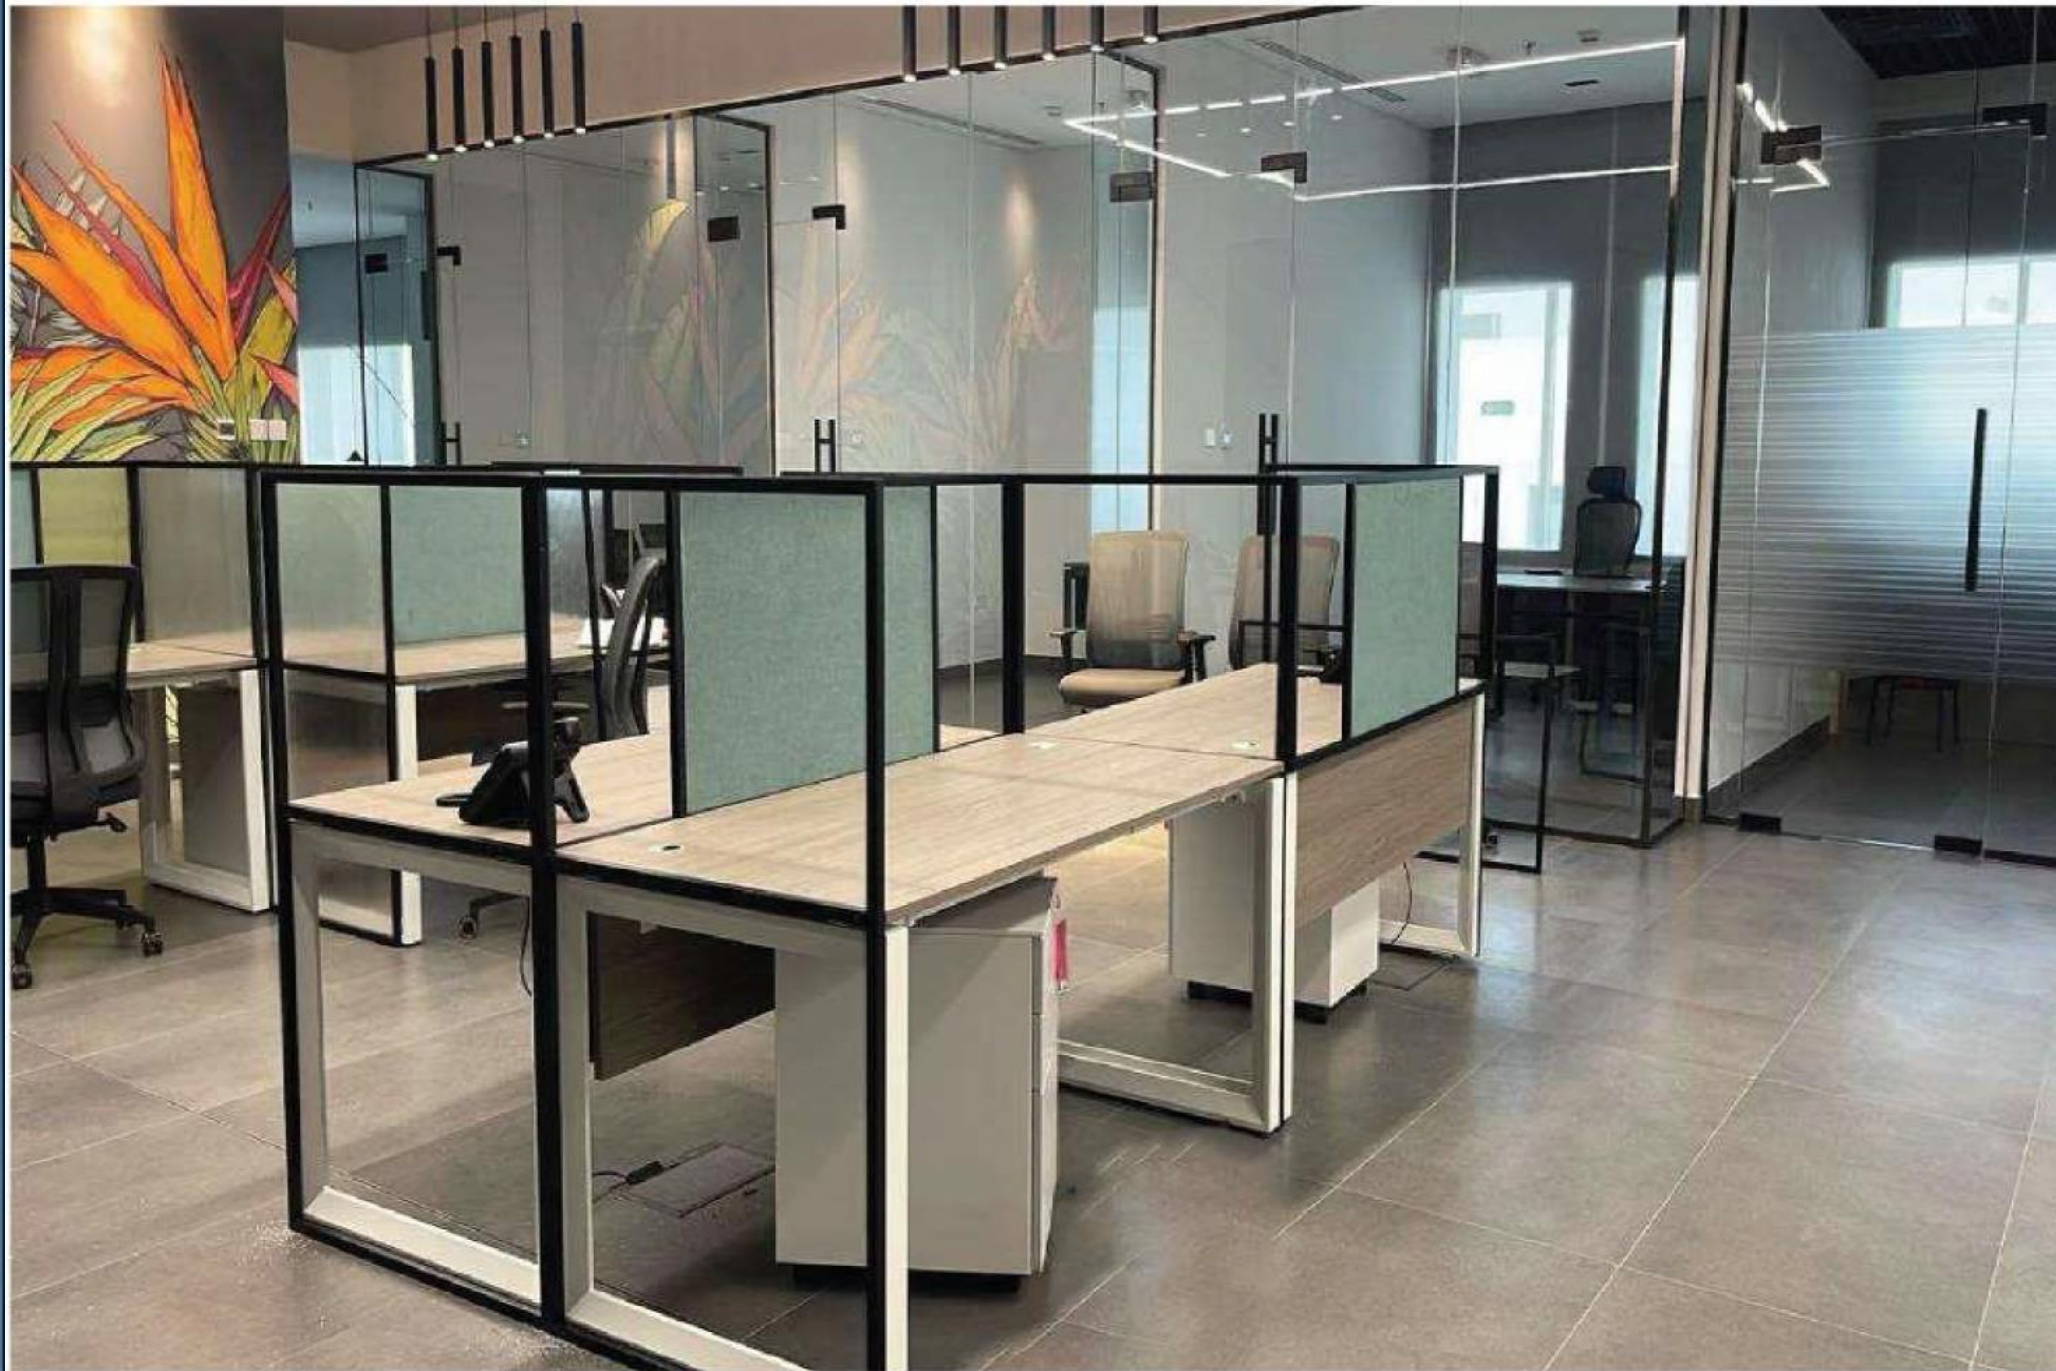

CLADDING STAINLESS STEEL, ALUMINUM AND MILD STEEL, CLADDING ALUMINUM COMPOSED PANEL (ACP)

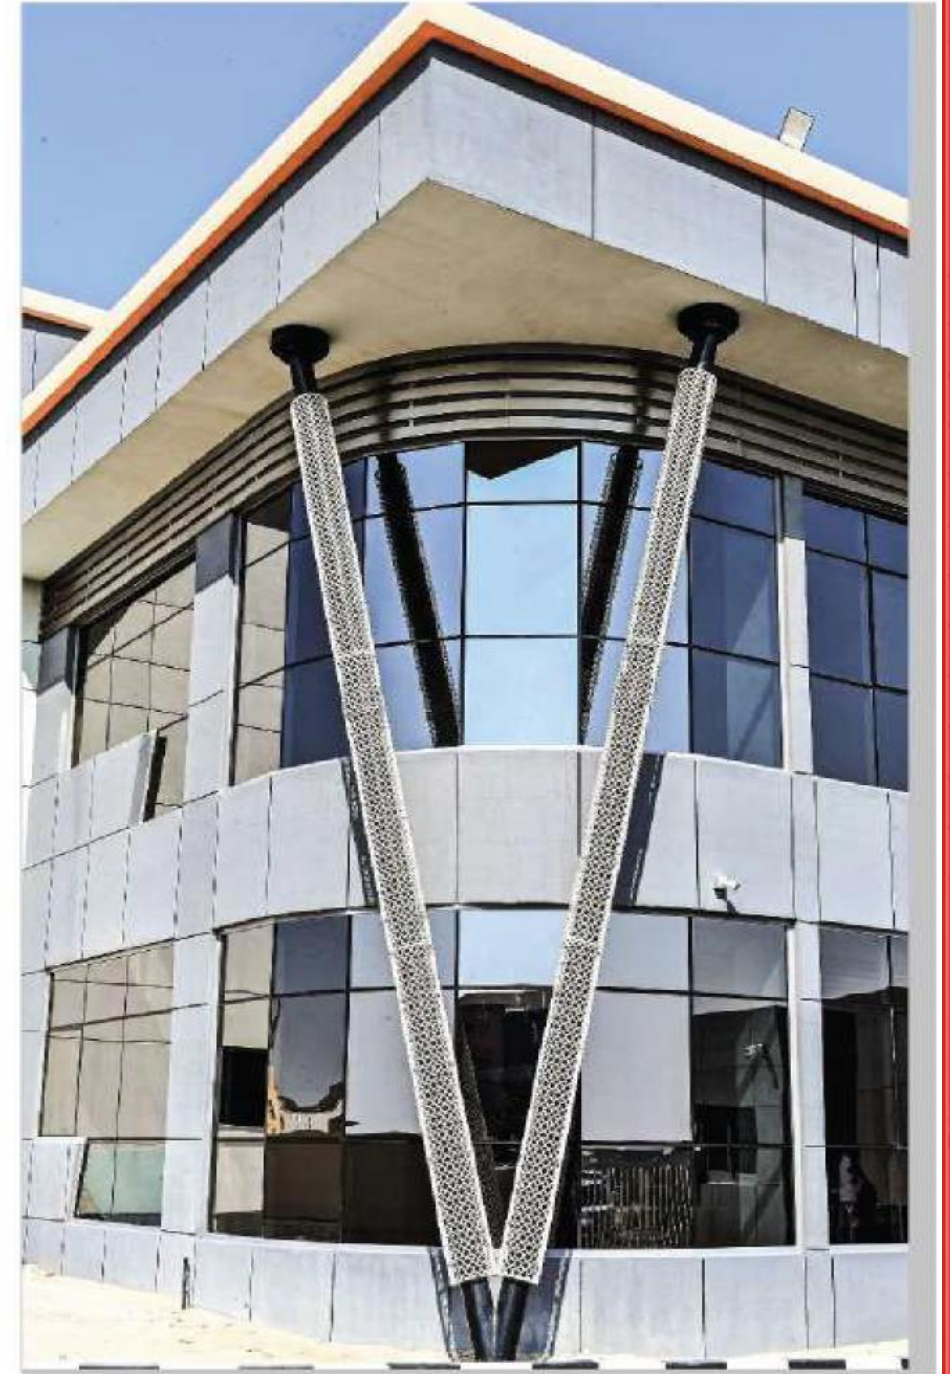

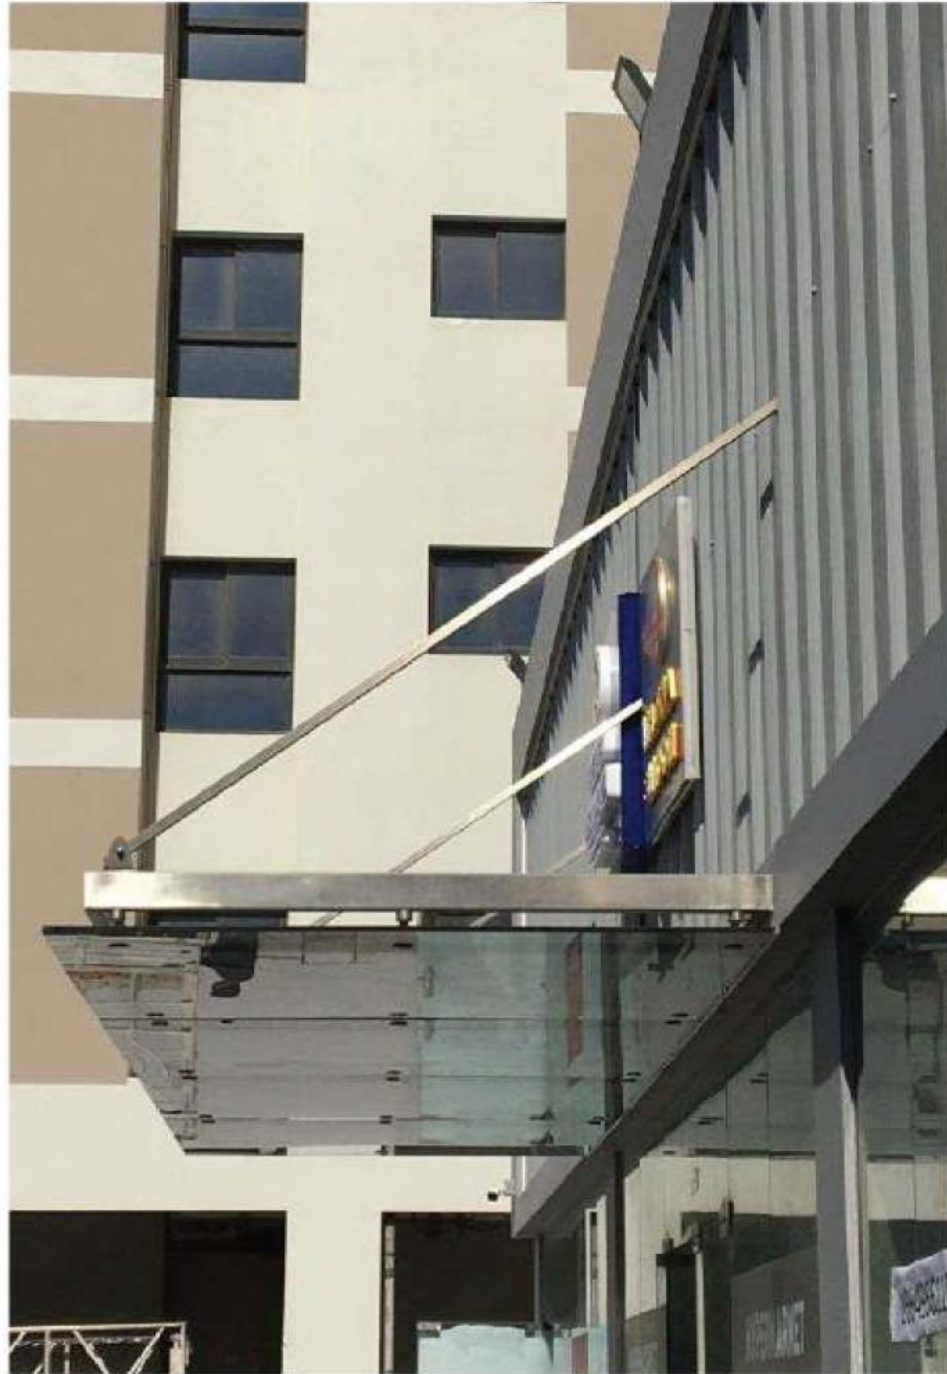

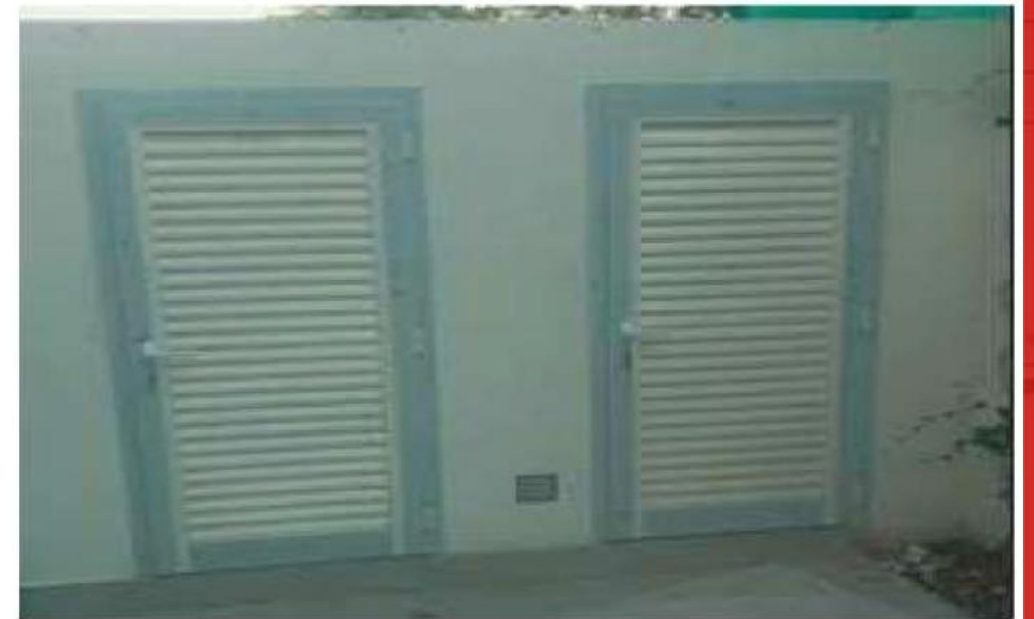

**ELECTROPLATED PVD PVDF POWDER COATED ANTIQUE FINISHES PRODUCTS, SCHOOL
HOSPITAL HOTEL FURNITURE IN STAINLESS STEEL, MILD STEEL AND ALUMINUM**

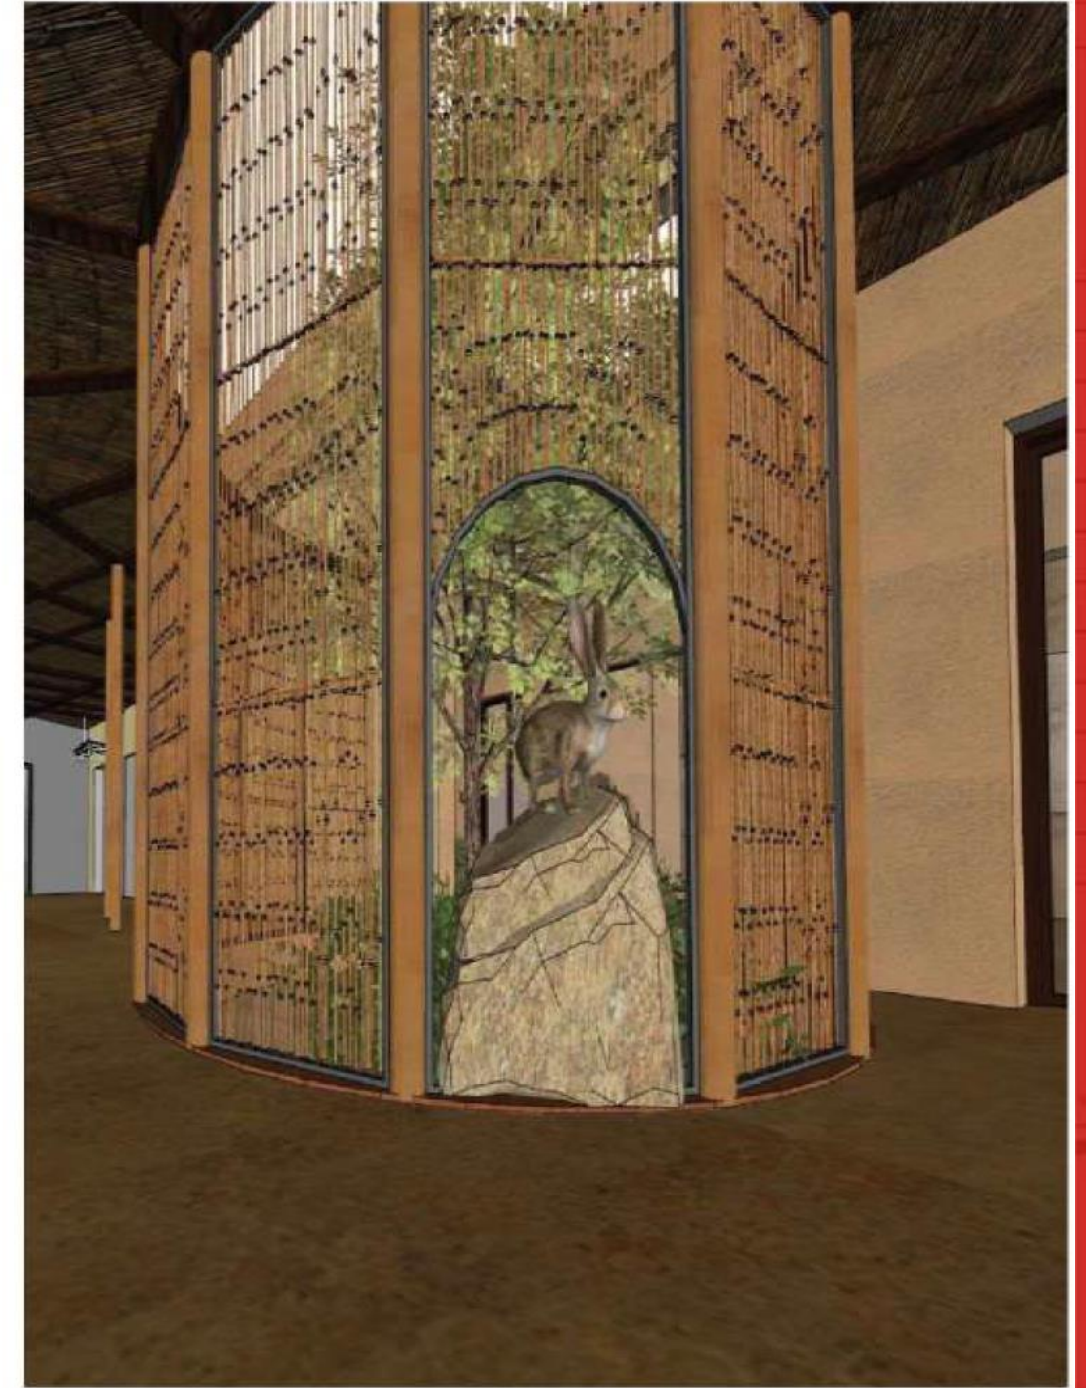

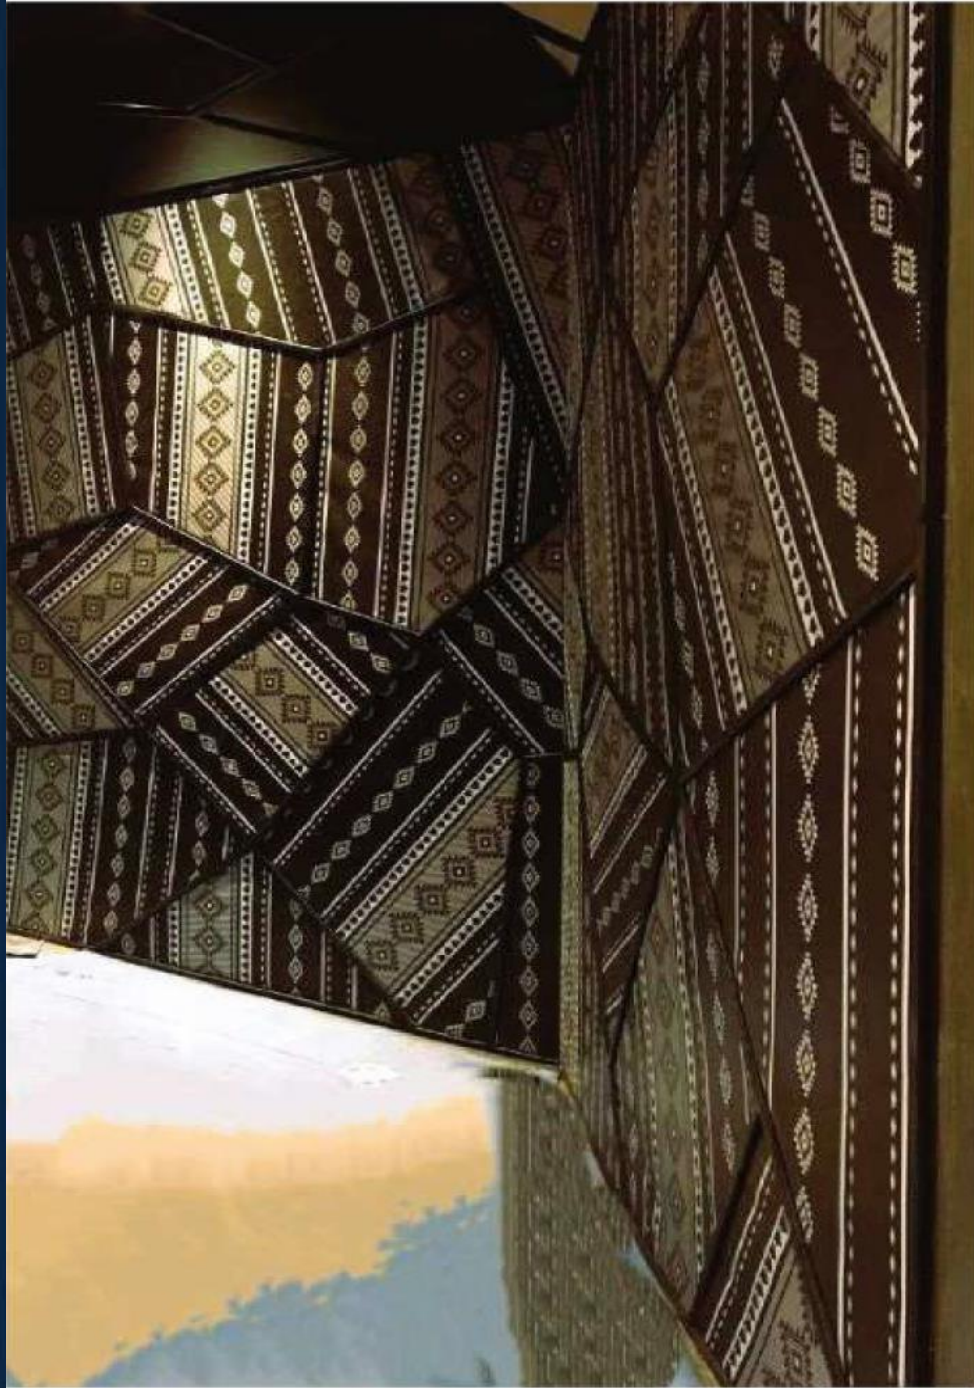

ALUMINUM DOORS AND WINDOWS, GLASS PARTITION AND SHOP FRONT
